

Assign Company Code to Financial Management Area in SAP

How to assign company code to financial management area in SAP

In this SAP tutorial, you will learn how to assign company code to financial management area in [SAP](#). After configuration of FM area in SAP, you need to assign company code to FM area. The link between [company code](#) and [financial management area](#) is established through the assignment.

Configuration steps

You can assign company code to FM area by using the following navigation path method.

- [Transaction code](#): – [SPRO](#)

- [Navigation](#): – [SPRO](#) – [IMG](#) – [Enterprise Structure](#) – [Assignment](#) – [Financial Accounting](#) – [Assign company code to financial management area](#).

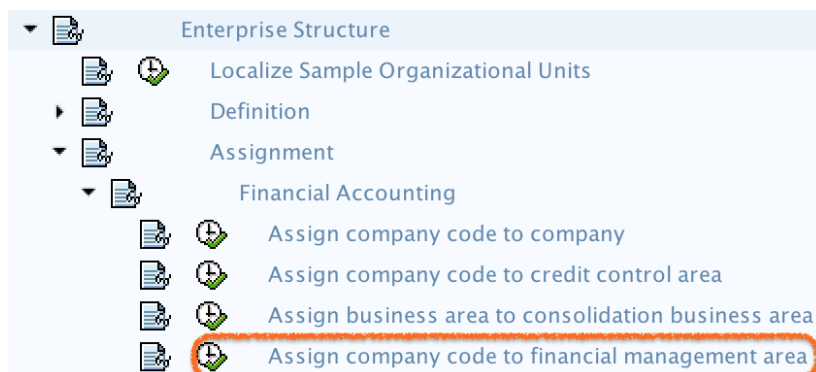

Step 1) Enter Transaction code “[SPRO](#)” in the sap command field and enter to continue.

Step 2) On customizing execute project, select “[SAP Reference IMG](#)”

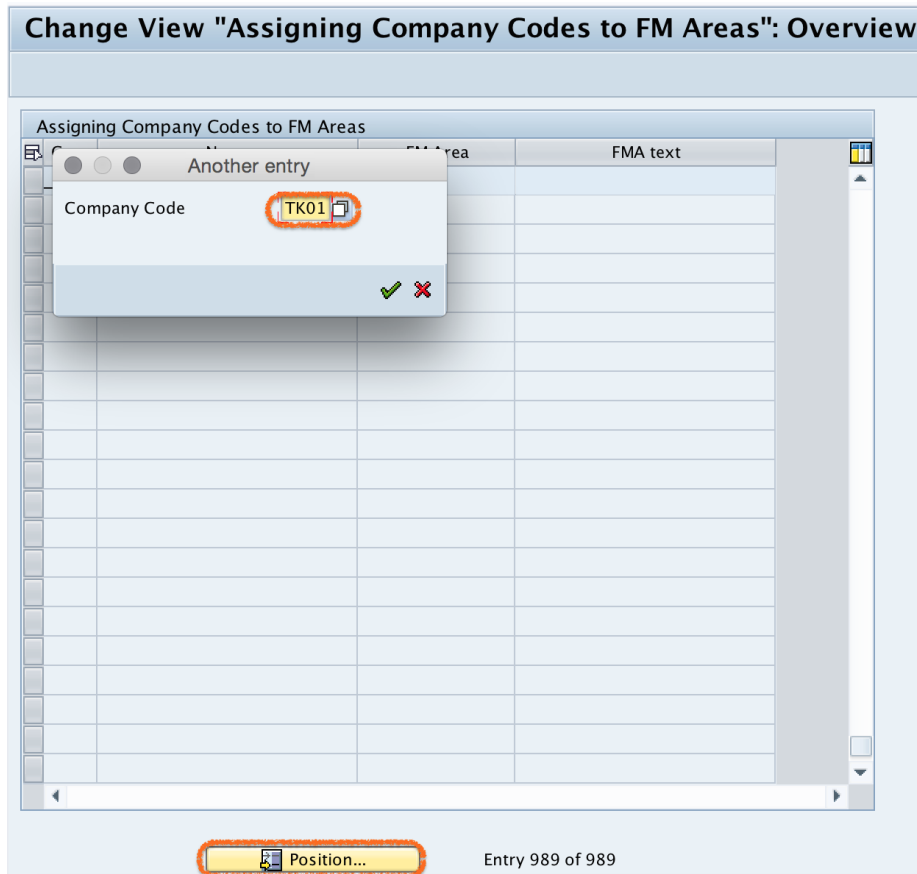

Step 3) On display IMG screen, follow the path and click on “Assign company code to financial management area”

Step 4) On change view “[Assigning company codes to FM areas](#)”: overview screen, click on position button

and enter your company code in the entry field and press enter. Now your company code displays in the top of the screen.

Step 5) Now assign FM area by updating the Financial management area key in the given field FM area.

Step 6) After updating the details, click on the save button and save the configured details.

Successfully we have assigned company code to financial management area in SAP FICO.
