

SAP HR – Assign Personnel Area to Company Code

This tutorial explains step by step procedure assignment of personnel area to company code in SAP.

How to assign personnel area to company code in SAP

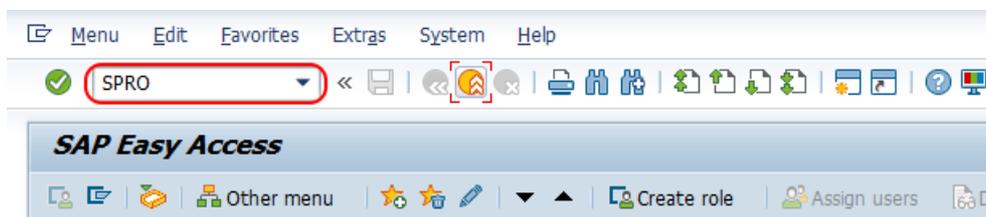

The link between [personnel area](#) and [company code](#) is established through the assignment of company code to personnel area in SAP.

For assignment, perform the following configuration steps.

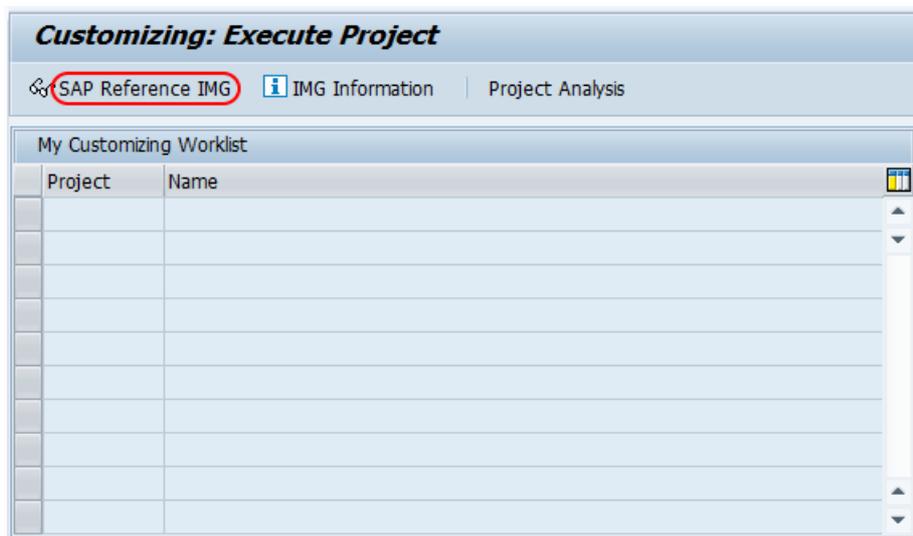

Navigation

SAP R/3 role menu	Assignment of personnel area to company code
Transaction Code	SPRO
SAP IMG path	SPRO => IMG => Enterprise Structure => Assignment => Human Resource Management (HRM) => Assign personnel area to company code.

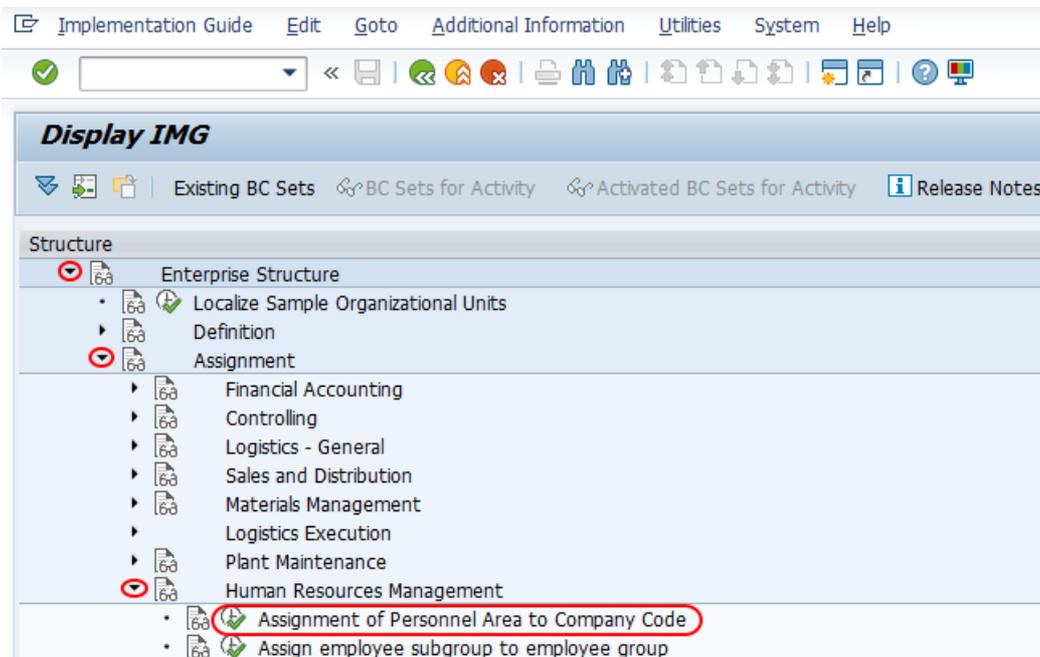

Step 1 : – Execute tcode “SPRO” on command field as shown below.

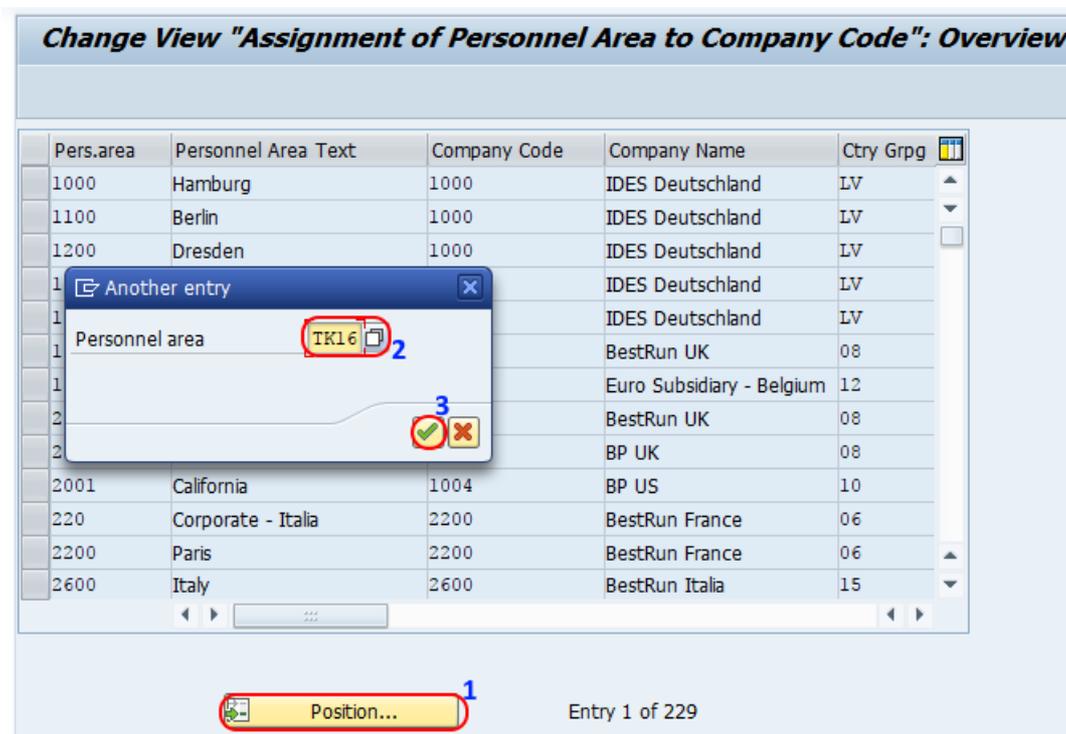

Step 2 :- Choose “Display SAP Reference IMG”

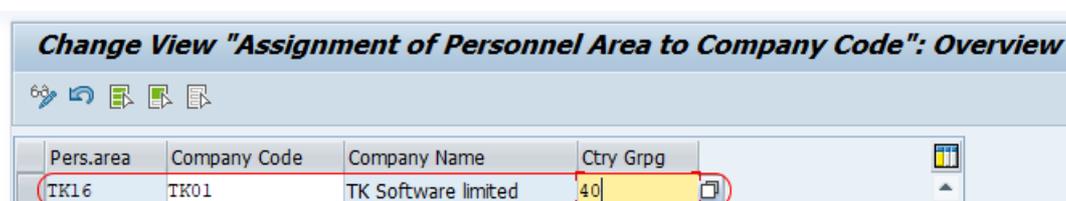

Step 3 :- On display IMG screen, follow the navigation menu Assignment > Human Resource Management > Assign Personnel area to Company code.

Step 4 : – On change view “Assignment of personnel area to company code” overview screen, click on position button and enter the personnel area key in the entry field, press enter ? to continue. Now you your personnel area key displays on top of the screen, so that you easily assign company code to this personnel area in SAP.

Step 5 : – Now enter the company code “TK01” in the given field company code, country grouping key (Press F4 for list of available country grouping codes) and press enter..

Click on save button and save the configured assignment details.
